

SCAHCR

Southern California Association of Health Care Recruiters

2009 Individual Membership Renewal and New Membership

SCAHCR is a non-profit organization that advances the development of health care recruiters. For more than a decade, we have been serving the needs of the human resources professional throughout Southern California. Educational programs and activities focus on strengthening health care recruitment/retention efforts.

As a member of SCAHCR, you'll find opportunities to network with other health care recruitment professionals. Annual membership includes monthly meetings, RN continuing education programs, discounted rate for programs/luncheons and much more. Meetings are held in various locations throughout Southern California.

As stated in the SCAHCR By Laws: Applicants for individual membership or renewal thereof must be actively involved in health care recruitment and be employed by organizations providing direct patient care. Individual membership is the only voting membership class of SCAHCR and shall be defined as a member in good standing of SCAHCR.

Please provide a statement of your company/organization's purpose:

Membership is payable annually in November and is not transferable. Dues are not prorated throughout the membership year.
